

Peugeot Partner Tepee Access

Just one look tells you the Partner Tepee Access is a wheelchair accessible MPV with a difference. A robust, muscular design hints at its spirit of adventure, while its smooth curves give a glimpse of the interior space on offer.

For the driver the steering wheel is adjustable for height and rake, the fully adjustable seat and the layout of the dashboard all contribute to the perfect driving position.

Particularly refined, it has high levels of noise insulation that make the Partner Tepee a relaxing environment for even the longest journeys. The Partner Tepee is available with a choice of diesel engines offering the proven strength and longevity on which the Peugeot marque's reputation has been built, all offering you a level of driveability enabling you to appreciate the road holding of the Partner Tepee.

They reflect Peugeot's commitment to the design and development of environmentally friendly vehicles. The HDi FAP engines offer low fuel consumption and better performance thanks to more uniform diesel consumption. Standard equipment includes electric heated door mirrors, one touch electric front windows, remote central locking and deadlocks amongst a host of others.

The Partner also features state of the art safety equipment, designed to help the driver anticipate and react to every eventuality, from assisted braking, traction and stability control, to airbags and impact protection systems. The wheelchair accessible conversion offers a lowered floor with a wheelchair position and the options for rear seating. The wheelchair user's access is from the rear up a short lightweight counterbalanced ramp, which has a shallow gradient of only 13 degrees. The wheelchair is then easily locked into place using a four-point wheelchair securing system. The Partner Tepee Access provides a new level of comfort just for you. Available in three specifications, S model, Zenith model and the Outdoor model and with several engine variants it should solve most peoples transport and lifestyle needs.
